Chateau Ste. Michelle provides full on-site catering service. Our policy states that any remaining food and beverage items cannot be removed from the premises. This applies to all food including entrées for guaranteed guests unable to attend. Chateau Ste. Michelle is licensed to serve only alcoholic beverages produced by the winery. The Washington State Liquor and Cannabis Board regulates the service and sale of alcoholic beverages. As a licensee, the winery is responsible for the administration of these regulations; therefore other outside alcoholic beverages may not be served or brought onto the winery property. All attendees must be 21 years of age or older, proper identification required.

FOOD ALLERGIES

In the event that any of the guests in your group has food allergies, you shall inform us of the names of such persons and the nature of their allergies, in order that we can take the necessary precautions when preparing their food. Allergens and dietary restrictions are due 5 business days out from the event along with final attendance count.

GUARANTEES

The confirmed attendance, including entrée orders & food allergy requests, for all functions must be specified 5 business days in advance. This number will be considered a guaranteed guest count not subject to reduction, even if fewer guests attend the function. If the guarantee is not given to the winery on the due date, the expected number(s) indicated on the Event Agreement Form will become the guarantee. If offering a choice of two entrées we will need the guaranteed entrée counts 5 business days prior to the event and the entrée must be indicated on place cards provided by you and set by you at each guest's seat. This means RSVP's will need to be obtained by you with the guests name along with their specific entrée selection.

The final balance of each event must be received no later than 3 days prior to the event date. Events canceled less than 60 days prior to event are subject to cancellation fees (see Event Agreement Form).
